

Regional Stormwater Education Program Steering Committee Agenda

Monday, May 2nd, 2022

2:30-3:30pm

Held via Zoom

Attendance: Emmalee Cherington, Chip Sawyer, Kent Henderson, Alison Spasyk, Dean Pierce, Dea Devlin

1. Introductions

Everyone introduced themselves.

2. Adjustments/changes to the agenda

No changes were offered to the agenda.

3. Review of February Minutes

Minutes were approved by E. Cherington and C. Sawyer with the provision of removing information about a recording available of the past meeting.

4. Approval of budget for FY23

D. Pierce recapped that the proposed budget for 2022 had been presented at the last meeting but not approved to provide more time for review. The budget was approved. As explained previously, development of the budget for 2023 will begin in September.

5. Update on MCM 1: website metrics, social media posts, coordination relating to Lake Lessons

D. Devlin gave a quick update on MCM 1: she shared the maintenance that she was keeping up with on the website and the social media posts, and explained the role of RSEP in Lake Lessons, which includes helping plan a closing activity for the program.

6. Update on MCM 2: Workshops, planning for special events and stream cleanups

D. Devlin reported on several of the events that she is planning with the help of A. Spasyk and other AmeriCorps members, of which include outdoor cleanup events, a movie screening of a Lake Champlain themed film, and a storm infrastructure bike ride. Chip and Emmalee gave feedback and advice for coordination of the different events. There was a discussion about the infrastructure bike ride map being outdated and needing reworking in order for a successful event to be held.

7. Updates/comments

K. Henderson asked the group about stormwater credit calculations relating to leaf collection and street sweeping.

8. Date for next meeting

The group agreed on the week after Labor Day as being an optimal week for a next meeting date. D. Pierce mentioned he would send a poll out for a specific date and time.

9. Adjourn

The meeting adjourned at 3:30pm.
